Superdry Neon Mini Fragrance Set

This mini fragrance collection from fashion giants Superdry comes in bang on trend neon blue, pink, orange and purple. Each one is the perfect size for holiday hand luggage or as a hand bag essential and has its own signature scent to suit any occasion and any mood. For Indian summer days, Neon Orange is a must have with notes of orange blossom, pineapple and cedarwood whereas the scent of fresh figs, lily of the valley and dry amber make Neon Purple the go-to fragrance for nights out.

Orli Massage Candles Moroccan Argan Oil Body Candle

Handmade in Scotland using the most nourishing ingredients, these massage candles leave the skin soft and supple. Multi-talented, this candle can be used as a massage oil, a lotion in manicure and pedicure treatments and un-melted as a body balm. This spa-inspired skincare product is enriched with essential oils and vitamin E, allowing you to provide a sumptuous and beneficial massage to your clients. The candle has many therapeutic benefits which heal dry, ageing skin, reduce stretch marks, soothe eczema, psoriasis and itching and reduce scarring and wrinkles.

Let's Go Lashes Tease

Let's Go Lashes, the lashing branch of Nouveau Beauty Group, have really set a precedent in the world of eyelashes. Their new collection features the most coveted strip lashes in the UK, and none more so than the Tease design. As their name suggests, Tease lashes are subtle yet dramatic, adding a hidden dimension to any look. These lashes are a perfect add on to your make-up treatment for clients wanting a dramatic look for a special occasion and for retailing for home use as they are super easy to apply.
