Sleek Lashes & Brows

Sleek Brows is a new brow-building technique that adds natural-like hairs to sparse uneven eyebrows. This non-invasive treatment creates smudge-proof, thicker eyebrows that last up to four weeks. Ideal for clients who have over-plucked their brows, the technique helps restore fullness. Two-days training and a one-day exam costs £795 (including kit).

LCN Amazing Lashes

Frame your client's eyes with LCN's Amazing Lashes. This course offers information on hygiene and basic first aid, as well as how to apply a set of Amazing Lashes and professionally remove them. For LCN's Amazing Lashes, pre and post-treatment care are just as important as the professional application, which helps a salon deliver quality results and lashes that clients will return for.

LVL Lashes

LVL Lashes' formula is simple and straightforward: it delivers 'the big lash look' in only 30 minutes and results last up to six weeks. The treatment focuses on enhancing the clients' own lashes by lifting them from the roots; making them appear longer, fuller and ultimately more glamorous with the promise of undamaged lashes. This popular one-day course teaches students how to perform this pioneering and innovative lifting and tinting technique using products exclusive to LVL Lashes. One day complete training for LVL Lashes is £199 + VAT. Available from Nouveau Lashes.
